Foundry Concert

On Tuesday we went to The Foundry and sang five songs with the band. We saw the composer of our Year 4 brass songs Lucy Pankhurst and Paul our brass teacher was there. They had lots of different instruments, there was violins, saxophones and even trumpets. We had a great time and we found out that Year 4 children might be able to play as part of the band in the July concert.

EYFS Carols and Crafts

It was truly wonderful to see our youngest children shining on the stage as they sang and danced beautifully to their families. Their enthusiasm and joy filled the room, creating a special moment for everyone present. Following the performance, it was lovely to watch the children spend quality time with their families, working together to create festive Christmas decoration. These moments of shared creativity and celebration perfectly capture the spirit of our Farnworth community, where learning, laughter, and love come together.

Year 3/4 Advent

Our Year 3 and 4 children truly shone during the Advent service at church. They spoke with confidence and clarity, sharing the message of hope and anticipation with heartfelt sincerity. Their singing was simply beautiful—"Feliz Navidad" brought a joyful energy that lifted everyone's spirits, while "Somewhere Only We Know" was so moving it brought tears to many eyes. It was a deeply special occasion that reflected our Christian values and the strong sense of community at Farnworth. We are incredibly proud of all the children for their wonderful contributions to this meaningful celebration.

KS1 Christmas with the aliens

WOW! Our Key Stage 1 children delivered an outstanding performance that truly captivated everyone. They sang their hearts out with joy and confidence, danced beautifully with enthusiasm, and their confident acting brought the whole performance to life. Our children didn't just perform—they sparkled and shone! It was a wonderful showcase of their talents and hard work, reflecting the vibrant spirit and dedication that we nurture at school. Well done to all our young performers for bringing such light and joy to the stage! They really did spread Christmas cheer.

Year 3 Catalyst

Year 3 had a fantastic visit to the Catalyst Museum last week. They enjoyed lots of hands-on science experiments, involving rocks, solids and volcanoes followed by an amazing light show! We also visited the gallery where the children had free time to explore activities involving forces and senses.

A huge thank you to parents and carers who supported with the trip. It was very much appreciated. Please look out on Seesaw for some amazing pictures of our time at the museum.

Year 3

Learning Champion

We would like to say a massive well done to our latest learning champions Jenson Sedman and Luke Ellis-Morely. Children can become learning champions when they receive three headteacher awards in an academic year.

We Empower Girls' Football Tournament

On Thursday, we got in the car and we went to Anfield community centre to take part in the football tournament. We played 3 games, and we lost 2 and won 1. The scores were 1-0, 0-3, 0-2. We all got medals and we came 5th overall in the tournament. We played Lust Heath, and we won that 1-0. We then played a friendly game against Lunts Heath and won. Lilly.
