Table Tennis

Yesterday, a group of six children from Year 6 attended a table tennis event at Halton Stadium. We played four schools in total, in matches that were one versus one. Every match we played was first to 11 points with two sets if you won both sets, you would win the match but if you won one and your opponent won one, you would go into a decider game to see who wins.

We ranked our players most confident to least confident and I was fourth out of six of our players. The schools we played were Victoria Road Primary, St Bede's Primary School, Lunts Heath and St. Basils. Every player on our team won at least two out of four games. The tournament was hosted by the Halton Table Tennis Club which is within Halton stadium. They are always looking for new people to start table tennis, so if you're interested, you can speak to Mr Monteith. Overall we placed 7th out of a number of teams from across Halton. We had a great time and were grateful that Mrs Kidd transported us and supported us while we were there

Cross Country

On 6th October we took part in a cross country tournament at The Heath school in Runcorn; we raced around about 2.5km. The first race was year 4-5 girls then year 4-5 boys raced and we had done really well. Our girls finished first overall and our boys finished second overall. Then year 6 girls raced followed by the year 6 boys where we also done really well. Our girls finished first overall and our boys finished second overall. same with. Based on all the great results, we came 1st out of all the schools that participated. We raced against a number of schools from Halton all the races were very tiring and hard but we had a lot of fun.

Football League

After a number of tough weeks of football, Farnworth returned to school with another trophy in the bag. We regained the Widnes School Football League on goal difference after a neryv final day with two draws in our final two matches. The footballing gods were in our favour as our local rivals, Lunt's Heath, couldn't better our results which meant the trophy returned to our cabinet for another year.

This year was a real squad effort with a number of players representing the school in the football squad. We put on some truly brilliant footballing displays over the weeks. Each player made a telling contribution to the school's success and they should all be proud of what they achieved as a team.

It now means that the school has qualified for the Cheshire Finals that will take place some time in the New Year, so watch this space...

Girls Football Tournament

Yesterday, we went to Wade Deacon to play a girl's football tournament. We played 4 games, the first match we won 3 - 0, the second we won 2 - 0, the third we won 3 - 0, and the fourth we drew 0 - 0. Farnworth and Ditton came top two in our group however,

Farnworth won over all. In the other group, Lunts Heath topped their group so we will both go to the finals in Crewe against all the best teams in Cheshire. We are looking forward to this.

KS2 Dance

We have been utterly blown away by the talent demonstrated by our children during the selection process.

I am delighted to confirm that every child who auditioned has been allocated a place on a team. Next week, we will be confirming the specific teams, with rehearsals due to start after the half-term break.

We are immensely proud of all the children who participated and cannot wait to see the final performances develop.

Thank You

THANK YOU

I'm writing to say thank you for the Harvest donations from St Luke's Church and Farnworth Primary School to Widnes Foodbank. As donations have dropped considerably in the current financial climate, we are very grateful for these contributions. It is only due to the goodwill of people like you that Foodbank is able to work as well as it does. Your donation of 366.1 kg of food equates to 872 meals, which is a great help.
