## OPAL

We are about to launch our exciting new project to make our playtimes even better, in conjunction with Outdoor Play and Learning (OPAL) CIC. OPAL is working closely with Sport England to promote more active childhoods, which is one of the many reasons we are improving our playtime, as well as to improve opportunities for socialisation, cooperation, coordination, resilience, creativity, imagination and enjoyment for your child.

Today you received a survey about playtimes, please could you complete this as this will help us to work in partnership to improve playtimes for our children

## Harvest Festival

At this special time in our church year, we wish to show our support as a school to the amazing work of the Foodbank volunteers in Widnes, by bringing along a donation to the Harvest services.

The Foodbank would really appreciate donations of the following:

- Tinned meat/fish
- Tinned fruit/veg
- Tea/coffee
- Long life milk
- Fruit juice
- Toiletries
- Cereal

Please bring donations to our service on the 30th September

## Polite Reminder

Please remember that dogs are not to be brought onto the school premises, thank you.

## Year 4 Brass

We have an exciting development in our school's music provision for this academic year. We have carefully planned a new instrumental learning opportunity for our Year 4 children to spark creativity and musical passion.

In collaboration with our local music hub, we have arranged for a specialist brass instrument tutor to work with our children. Over the next few weeks, the children will have the opportunity to explore and try different brass instruments, allowing them to discover and select the instrument that resonates most with their individual interests and talents.

This new music provision goes beyond an in school learning experience. We are creating a pathway that enables children who develop a love for playing to continue their musical journey after this academic year

## Junior Safety Officers

On Thursday evening, four of our Year 6 children attended a special welcome event at Halton Stadium. These children have been selected to take on the important responsibility of delivering safety messages across our entire school community. Throughout the year, they will lead assemblies and coordinate safety-related competitions, demonstrating their commitment to creating a safer learning environment for all our children.

Being chosen as a Junior Safety Officer is a significant role that requires leadership, responsibility, and a genuine passion for supporting their peers.

We are incredibly proud of these children and their willingness to take on such a meaningful responsibility. They will undoubtedly contribute to enhancing awareness and promoting a culture of safety for our whole community.
