Tuesday 4th November EYFS Welcome service at Church, family members are welcome to attend  
Wednesday 12th November Frank class service at church, family members are welcome to attend  
Saturday 22nd November PTA Christmas Market

## Harvest Festival

We would like to say a huge thank you to Miss O'Grady and our Vision Ambassadors; they led the service with such confidence and grace, truly embodying the courage and friendship that are at the heart of our school values. Our whole school community sang beautifully and brought joy and peace to this service through their wonderful voices.

We need to say a massive thank you to all members of our school community for the very generous food bank donations. Overall a staggering 364.87kgs of items was donated! This is the first time that the team have had to rush down to the FoodBank 'warehouse' for more crates. So many local people will now benefit from such generosity - thank you!

Finally thank you to Mrs Smither for her ongoing support and for enabling us to continue strong and meaningful links with St Luke's Church. Her dedication helps to deepen our faith community and enrich our shared experiences.

## Congratulations to....

Phoebe & Lennon (YR) Archie & Iris (Y1)  
Cooper & Amelia (Y2) Emir & Georgina (Y3)  
Olivia & Clara (Y4) Annie & Will (Y5)  
Eloise & Grace (Y6)  
For their excellent work this week, keep up the hard work

## PINS

As part of our PINS project we will be starting with the My Happy Minds program after half term.  
My Happy Mind is an NHS backed program that teaches our children preventative habits to support mental health, resilience and self esteem.  
As part of this program some of our children will form a new 'Happiness Heros' team, supporting staff in the leadership of this program.

## Communication

As a school we value working in partnership with families to ensure that we can provide the very best education for your child/ren. We appreciate that at times it can be difficult to know who to contact and how to go about contacting them so we have created a flow chart to help you. We hope that you find it useful.

Who should I contact?

My child's learning/class activities/lessons/homework	My child's wellbeing/Pastoral support/Friendship issues	Payments/School events	Attendance/Absence reporting	School trips	Behaviour

## OPAL

Our children have continued to value the new style playtimes, with many reporting that they love being able to play with children from all year groups. Staff have loved seeing the children using their imagination more as they play with their friends.

As you are aware we are currently looking for storage solutions so that all children can bring wellies/trainers into school to use during OPAL playtimes as all areas will be open if they are safe. Please can you also ensure that your child brings a waterproof coat to school every day.

A few highlights from this week:

Playing the floor is lava on the trim trail

Using the tyres as a Lamborghini

## Football League

On Thursday, we played 5 games against different schools in Halton. In our first game, we played St Clement's beating them 1 - 0 in a difficult game with Leo scoring and Luca getting the assist. Next, we played Widnes Academy who we beat 10 - 0 with Luca, Freddie, Leo, Theo and Logan all scoring. In our 3rd game, we played All Saints, Upton and beat them 2 - 0. After that, we played Moorfield and beat them 4 - 0 with Freddie scoring 3 and Leo scoring 1. In our final game, we played St John Fisher and won 5 - 0 with Luca, Freddie and Leo scoring. The team thoroughly enjoyed themselves and we are currently top of the league with two games to play.

By Luca and Ivy (Einstein Class)

## Girls' Football Tournament

On Thursday morning, we went to a football tournament at Anfield Sports Centre in Liverpool. We got out of our cars and put our boots on, then we set off onto the football field ready for action. We met Tash Dowie who is Liverpool Women's leading top goal scorer and an Ambassador for Liverpool Football Club. She was a great person and a real role model. She had so many positive things to say about us. She refereed a few of our games and even went in goal to help the other team out.

The organiser was called Rachel, and she explained all the fixtures to us and that the matches were 10 minutes long. We got put into groups and we were in Group B. We played a number of teams from across Liverpool and we won them all by quite a few goals. We ended up in the semi-final. We managed to win this game 4- 0 and got into the final. We played some very good football and scored a number of goals and ended up winning the whole tournament. We were given a winners' Liverpool medal and left in the best mood possible, keeping our winning streak with the girls football in Farnworth.

After that, we headed home with quite a few members of staff saying well done to our win.  
Grace & Martha (Einstein Class)
