

Farnworth CE Primary News

"If we walk in the light as He is in the light, we have fellowship with one another."
(1 John 1:7)

Our Value for the half term

Welcome Back

It has been absolutely lovely to see the children return to school with such enthusiasm and energy. Their bright faces and eager anticipation for learning have filled our corridors with the wonderful atmosphere that makes our school community so special. All children have settled really well into their new classes and routines.

As a staff, we have worked hard to ensure that our school rules authentically reflect our school vision and values. After careful consideration and reflection, we are proud to introduce our three fundamental school rules that will underpin everything we do with our children: Ready, Safe and Respect.

At the end of last academic year we explained that we were changing our class names to significant people who embody our school values in consultation with our school community we are delighted to confirm that our new class names are:

Paddington, Winnie, Smither, Cambridge, Attenborough, Nightingale, Hawking, Sinfield, Parks, Pankhurst, Malala, Bancroft, Einstein and Frank.

Parent/Grandparent Volunteers

If anyone is interested in volunteering then please let us know. In line with our safeguarding procedures we need you to fill out an application form and we need to complete an enhanced DBS check for you.

Natalie & Pixie (Y1) Louie & Reign (Y2)

Quinn & Jamie (Y3) Ava & Luca (Y4)

George & Maxwell (Y5) Madison & Luca (Y6)

For their excellent start to the new school year, keep up the hard work

Welcome

We would like to say a warm welcome to our new Reception children and their families. We are so pleased with how well the Reception children have settled into 'big school' this week. They are already making lots of new friends and trying their very best. All staff are very pleased with how well the children are settling and look forward to a fun filled year ahead!

Year 1 Outdoor Learning Environment

As a school, we recognise that outdoor learning significantly enhances physical and mental health by reducing stress and increasing physical activity, while improving academic performance through increased focus and engagement. We know that it fosters social development, confidence, and problem-solving skills by providing hands-on, real-world experiences and promoting teamwork and environmental awareness.

We have worked hard over the summer to create a lovely outdoor learning environment for our Year 1 children. They have loved having the opportunity to continue with outdoor learning as they move into Year 1.

We would like to say thank you to the staff for all of their hard work and also thank you to Wizzies and the families who have donated elements to our new outdoor learning environment.
